FACILITY CONTACT:	**Damon De Frates (951) 277-5109**
LEA CONTACT:	**Kumari Gossai (626)-430-5540**

The Los Angeles County Department of Public Health, Solid Waste Management Program (SWMP), acting as the Local Enforcement Agency (LEA), is certified by the Department of Resources Recycling and Recovery (CalRecycle) to enforce the state laws and regulations at solid waste sites within its jurisdiction.

Description of Project:
This RFI amendment is to clarify the types of inert materials that will be used for cover, firebreaks and how these materials will be tracked by the operator. In addition, the operator has proposed an added activity not related to landfill operations that will take place on the landfill property. In addition the operator has proposed an added activity not related to landfill operations that will take place on the landfill property. This activity will encompass the stockpiling of recyclable materials for CEMEX and shall not exceed 1, 000 tons at any given time.

LEA's Determination:
On April 14, 2015, the LEA received an RFI amendment application. On May 14, 2015, the LEA made the determination that the application package met the requirements of Title 27, California Code of Regulations, Section 21570(f) and 21665(c).

Where to Get Additional Information:
Documents are available for review by the public via appointment at the LEA's office located at 5050 Commerce Drive, Baldwin Park, CA 91706

Appeals Process Information:
For information on the appeals process to challenge the LEA's approval of the RFI amendment pursuant to PRC §44307, you may contact Gerry Villalobos at (626) 430-5540.
