Subject: Changing of CalRecycle Personnel In Reviewing And Voting On The Nominees/recipient Of The Ralph Hunter Award, Enforcement Advisory Council Resolution 2011-02

Dear Mr. Doser:

This letter is in response to Enforcement Advisory Council (EAC) Resolution 2011-02 passed at the April 26, 2011 EAC meeting.

The EAC recommended that the working of the Ralph Hunter protocols be updated to reflect organizational changes within CalRecycle. Specifically, the CalRecycle personnel identified as participating with the EAC in reviewing and voting on the nominees/recipient of the Ralph Hunter Award be changed from "Deputy Director" to "Director or his/her designee". I agree with this recommendation, as this change is consistent with the CalRecycle management structure.

I look forward to continuing to work with EAC to further our success at coordinating an effective and consistent statewide solid waste enforcement program and ensuring that Local Enforcement Agency and CalRecycle interests and training needs are met.

Sincerely,

Mark Leary, Acting Director
Department of Resources Recycling and Recovery
