The Los Angeles County Department of Public Health, Solid Waste Management Program, acting as the Local Enforcement Agency (LEA), will be holding a Public Informational Meeting for a new transfer and MRF. The LEA is certified by the Department of Resources Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste facilities within its jurisdiction.

Description of Project: The applicant has proposed to build and operate a Transfer and MRF within the property boundary of the Azusa Landfill. The facility, to be called Azusa Transfer and MRF, will receive non-hazardous municipal solid wastes (MSW), co-mingled recyclables, and green waste. Wastes received at the facility are processed to remove recyclable/marketable content and consolidated for shipment to the landfill. The recyclable/marketable materials are consolidated and shipped to market. The applicant has proposed to operate the facility and receive/transfer materials 24 hours per day, seven days a week. The permitted maximum waste received per day will be 3,800 tons. An Environmental Impact Report was prepared and certified by the Azusa City Council on July 5, 2011.

LEA's Determination: Pursuant to Title 27, California Code of Regulations (27CCR), Section 21650, the LEA determined that the application met the requirements of 27 CCR, Section 21570 and accepted the application for filing on June 7, 2013.

Purpose of the Meeting: This Public Information Meeting is for any interested parties to learn more about the permit and to provide comments to the LEA. The meeting is strictly informational and **no official decision will be made at the meeting** regarding the formal determination on the solid waste facility permit application.

Where to Obtain Additional Information: A copy of permit application is available for public review by appointment only at the LEA office noted above between 8:00 a.m. and 4:00 p.m. Monday through Friday.

Options for Submitting Comments and LEA Contact Information: If you would like to comment on this project you may do so at the meeting. If you are unable to attend the meeting, you may send your written comments to Shikari Nakagawa-Ota via email at sota@ph.lacounty.gov , fax to 626 813-4839, or mail to the LEA office address noted above.

Appeals Process Information: For information on the appeals process pursuant to PRC §44307, you may contact Gerry Villalobos at (626) 430-5540.
