As a property owner, tenant or person with vested interest in the project vicinity, please be advised that the County of San Mateo Solid Waste Local Enforcement Agency (LEA) has accepted an RFI amendment application package from the South Bayside Waste Management Authority (SBWMA), for the South Bayside Integrated Facility San Carlos, CA. The LEA is certified by the California Integrated Waste Management Board (CIWMB) to enforce state laws and regulations at solid waste sites within the County of San Mateo, including all solid waste disposal facilities.

**Description of Project**
On August 7, 2008, the LEA received a RFI Amendment application package from the SBWMA, regarding the South Bayside Integrated Facility at 225, 333 Shoreway Road in San Carlos, CA. The purpose of the application package is to relocate the facility entrance including the scales and fee booth and buy back center.

**Findings**

The LEA has determined that:

The proposed relocation of the facility entrance, scale and fee booth and buy back center has been approved by the LEA.

- The approved amendments do not require a permit revision and may be authorized through an RFI amendment.
- The application meets the requirements of 27 CCR 21665 (c), and is approved.
- The approved RFI amendments will be incorporated into or replace portions of the existing TPR (December 2003).

**Appeals Process Information**

Pursuant to Public Resources Code §44307, the decision of the LEA may be challenged through a formal hearing process. To initiate the appeals process, please contact the San Mateo County Health Division LEA Greg Schirle at (650)372-6297 or email at gschirle@co.sanmateo.ca.us .

**Where to Get Additional Information**

A copy of the application package is available for public review during normal business hours Monday-Friday, 8am-5pm or by appointment in Environmental Health Division Office located at 2000 Alameda De Las Pulgas, Suite 100 San Mateo CA 94403. For questions or comments, please call (650)372-6200.
