Re: Solid Waste Facility Permit Revision
Waiver of Time
L and D Landfill
Sacramento, California

Dear John,

To allow the Local Enforcement Agency (LEA) and the California Department of Resources Recovery and Recycling additional time to consider the proposed revised solid waste facilities permit for the L & D Landfill, I will waive the time for the Local Enforcement Agency to consider the permit application under Public Resources Code Section 44008 and for CalRecycle to consider the proposed permit under Public Resources Code Section 44009 and under any CalRecycle regulations which implement or interpret those statutes or otherwise set time periods for CalRecycle or the LEA to review and act on a permit application or a proposed permit.

Feel free to call me if you have any questions or if you need any further information.

With Regards,

Michael P. Lien
