Dear Mr. Kouyoumdjian:

The County of Riverside, County of San Bernardino, City of Colton, City of Rialto, and the City of Riverside intend to request re-designation of the ***Agua Mansa Recycling Market Development Zone***. The desire to complete a renewal application is representative of a combined effort to address our area's need to increase the local recycling markets through a joint economic development/waste management effort. I have sent resolutions to each of the governing bodies within the zone and am waiting for them to return certified copies of approved resolutions to me. The map is accurate. I will submit to you when completed:

- A CEQA document/ NOD
- New signed resolutions
- New Market Development Plan
- Signed Environmental Justice Certification

Please call me at (909) 955-6696 should you have any questions or require any further information.

Sincerely,

County of Riverside Economic Development Agency
