SOLID WASTE FACILITY PERMIT

Facility Number:

33-AA-0016

1. Name and Street Address of Facility:	2. Name and Mailing Address of Operator:	3. Name and Mailing Address of Owner:
Desert Center Sanitary Landfill 17991 Kaiser Road Desert Center, CA. 92239	Riverside County Waste Management Department 14310 Frederick Street Moreno Valley, CA. 92553	United States Bureau of Land Management 1201 Bird Center Drive Palm Springs, CA. 92262

4. Specifications:

a. Permitted Operations:

- ☒ Solid Waste Disposal Site
- ☐ Transfer/Processing Facility (MRF)
- ☐ Composting Facility (MSW/green material/C&G)
- ☐ Transformation Facility
- ☐ Other: _____

b. Permitted Hours of Operation: Receipt of Refuse/Waste: 8:00a.m. to 4:30p.m., the First Thursday in February and the First Thursday in August. The operator may increase the number of days not to exceed 8 days per year (480 tons per year) and /or hours from 6:00a.m. to 8:00p.m. stipulating operation during daylight hours only with prior LEA approval.

c. Permitted Maximum Tonnage: ____60_____Tons per Day (not to exceed 480 tons per year)

d. Permitted Traffic Volume: _____110_____Vehicles per Day

e. Key Design Parameters (Detailed parameters are shown on site plans bearing EA and CalRecycle validations):

	Total	Disposal	Transfer/Processing	Composting	Transformation
Permitted Area (in acres)	162	7	0	0	0
Design Capacity (cu.yds)		115,341 (refuse)			
Max. Elevation (Ft. MSL)		740			
Max. Depth (Ft. MSL)		689			
Estimated Closure Year		April 2087			

Upon a significant change in design or operation from that described herein, this permit is subject to revocation or suspension. The attached permit findings and conditions are integral parts of this permit and supersede the conditions of any previously issued solid waste facility permit.

5. Approval:

_____

Approving Officer Signature
Steve Van Stockum, Director
Riverside County Department of Environmental Health

6. Enforcement Agency Name and Address:

Riverside County Department of Environmental Health
3880 Lemon Street Suite 200
Riverside, CA. 92501

7. Date Received by CalRecycle: APR 29 2014

8. CalRecycle Concurrence Date:

9. Permit Issued Date:	10. Permit Review Due Date:	11. Owner/Operator Transfer Date:

SOLID WASTE FACILITY PERMIT

Facility Number:

33-AA-0016

12. Legal Description of Facility:

The legal description of this facility is contained in page 1, Section A.2.A Location of the Joint Technical Document Addendum No. 4, dated February 2012. Approximately 82 acres within the E ½ of SE ¼ of Section 33 and approximately 80 acres within the W ½ of SW ¼ of Section 34, T4S, R15E, S.B.B.&M.

13. Findings:

a. This permit is consistent with the Riverside County Integrated Waste Management Plan, which was approved by CalRecycle on September 23, 1998. The location of the facility is identified in the Countywide Siting Element, pursuant to Public Resources Code (PRC), Section 50001(a).

b. This permit is consistent with the standards adopted by CalRecycle, pursuant to PRC 44010.

c. The design and operation of the facility is consistent with the State Minimum Standards for Solid Waste Handling and Disposal as determined by the enforcement agency, pursuant to PRC 44009.

d. The Riverside County Fire Department has determined that the facility is in conformance with applicable fire standards, pursuant to PRC, 44151.

e. A Mitigated Negative Declaration for Environmental Assessment No.37549 was filed with the State Clearinghouse SCH #2000091072 on November 7, 2000, and was adopted by the Board of Supervisors on November 7, 2000. The Environmental Assessment describes and supports the design and operation which will be authorized by the issuance of this permit. A Notice of Exemption (NOE) 01-03 was filed with the County Clerk on April 13, 2001and Notice of Exemption (NOE) 14-03 was filed with the County Clerk on March 12, 2014.

14. Prohibitions:

The permittee is prohibited from accepting the following wastes:
Hazardous, radioactive, medical (as defined in Chapter 6.1, Division 20 of the Health and Safety Code), liquid, designated, or other wastes requiring special treatment or handling, except as identified in the Report of Disposal Site Information and approved amendments thereto and as approved by the enforcement agency.

15. The following documents describe and/or restrict the operation of this facility:

	Date		Date
Joint Technical Document Amendment No. 4	February 2012	Preliminary Closure and Postclosure Maintenance Plan Addendum No. 5	February 2012
Waste Discharge Requirements Order No. 01-13	November 2001	Closure Financial Assurance Documentation	May 2007
SCAQMD Rule 1150.1	May 2011	Certificate of Insurance	April 2007
Mitigated Negative Declaration for EA No. 37549 SCH#2000091072 Notice of Exemption 14-03	November 2000 March 2014	Non-Water Release Corrective Action Cost Estimate	November 2013

SOLID WASTE FACILITY PERMIT

Facility Number:

33-AA-0016

16. Self Monitoring:

The owner/operator shall submit the results of all self monitoring programs to the Enforcement Agency within 30 days of the end of the reporting period *(for example, 1st quarter = January – March, the report is due by April 30, etc.. Information required on an annual basis shall be submitted with the 4th quarter monitoring report, unless otherwise stated.)*

Program	Reporting Frequency
a. The types and quantities (in tons) of waste, including separated or commingled recyclables, entering the facility per day.	Semi annual
b. The number and types of vehicles using the facility per day.	Semi annual
c. Results of the hazardous waste load checking program, including the quantities and types of hazardous wastes, medical wastes or otherwise prohibited wastes found in the waste stream and the disposition of these materials.	Semi annual
d. Notification to enforcement agency via telephone or electronic mail of any complaint and special occurrence such a fire or flooding regarding this facility and the operator's actions taken to address the complaint or incident within 24 hours of the event.	Within 24 hours of event
e. Results of the landfill gas monitoring program.	Quarterly
f. *Wet weather preparedness report/winter operations plan.*	Annual – due by November 1
g. *Fill sequencing plan for the forthcoming year.*	Annually
h. *Remaining site capacity.*	Annually

SOLID WASTE FACILITY PERMIT

Facility Number:

33-AA-0016

17. Enforcement Agency (EA) Conditions:

a. The operator shall comply with all State Minimum Standards for solid waste handling and disposal as specified in Title 27, California Code of Regulations.

b. The operator shall maintain a log of special/unusual occurrences. This log shall include, but is not limited to, fires, explosions, the discharge and disposition of hazardous or unpermitted wastes, and significant injuries, accidents or property damage. Each log entry shall be accompanied by a summary of any actions taken by the operator to mitigate the occurrence. The log shall be available to site personnel and the EA at all times.

c. Additional information concerning the design and operation of the facility shall be furnished upon request and within the time frame specified by the EA.

d. The maximum permitted daily tonnage for this facility is 60 tons per day. No more than this amount shall be received without a revision of this permit.

e. This permit is subject to review by the EA and may be suspended or revoked at any time by the EA for sufficient cause in accordance with Division 30 of the public Resource Code, Part 4, Chapter 4, Article 2, Section 44305 et seq and associated regulations.

f. The EA reserves the right to suspend or modify waste receiving and handling operations due to an emergency, a potential health hazard, or the creation of a public nuisance.

g. Any change that would cause the design or operation of the facility not to conform to the terms and conditions of this permit is prohibited. Such a change may be considered a significant change, requiring a permit revision. In no case shall the operator implement any change without first submitting a written notice of the proposed change, in the form of an RFI amendment, to the EA at least 180 days in advance of the change.

h. A copy of this permit and the Joint Technical Document shall be maintained on site during open operating hours.

i. The site shall maintain a formal load checking hazardous waste monitoring program that is approved by the enforcement agency. The operator shall provide employee training to address the recognition and proper response to hazardous material incidents.

j. The operator shall maintain and make available upon request for inspections for the enforcement agency and CalRecycle, all correspondence and reports provided to other regulatory agencies that have jurisdiction over the design and operations of the facility.

k. A change in operational hours or days shall be subject to a two week written notification of and approved by the LEA.
