Code Enforcement
200 E. Santa Clara Street, Floor T1
San Jose, CA 95113

Subject: Your Service as EAC Vice Chair

Dear Dennis:

Thank you for your service and contributions as Vice Chair of the Enforcement Advisory Council (EAC) for these past two years.

There were many challenging statewide solid waste technical and policy issues that the EAC faced during your tenure. These included the review and approval of landfill gas monitoring plans; implementation of new legislation that established minor violations; the processing of 15 temporary permits; the development and implementation of long term landfill closure, post closure, and financial assurances rulemakings; and more. The insights, suggestions and recommendation made by the EAC were greatly appreciated and improved the quality of decisions that have been made.

Your contributions, and those of your fellow EAC leadership members, helped to make the EAC extremely successful this past 2 years. I am sure your successor will do well since the EAC has very talented and dedicated members like yourself who provide continuity and perspective.

Again, please accept CalRecycle's sincere thanks for your service. I look forward to continuing to work with you in the future.

Sincerely,

Ted Rauh, Deputy Director
Compliance & Enforcement Division

Cc: Mark Leary, Deputy Director, Permits & Certification Division
Jamie Matthews, Division Manager, Special Operations
