PRELIMINARY CLOSURE AND POST CLOSURE MAINTENANCE PLAN COMPLETENESS REVIEW DETERMINATION: GREGROY CANYON LANDFILL SWIS# 37-AA-0032

Dear Mr. Simmons:

On December 23, 2010 the County of San Diego Department of Environmental Health Solid Waste Local Enforcement Agency (LEA) received a preliminary closure and post closure maintenance plan (PCPCMP) in accordance with California Code of Regulations Title 27 (T27) §21860(c). The PCPCMP was part of the Joint Technical Document (JTD) submitted as part of a solid waste facility permit (SWFP) application package. However, applicable regulations establish separate approval processes and schedules for the PCPCMP and the SWFP application.

On January 24, 2010 the LEA completed its initial review of the submitted preliminary closure and preliminary postclosure maintenance plan and determined that plan to be complete. Pursuant to 27 CCR § 21860 (e), the LEA will conduct a detailed review for approval by April 24, 2011.

If you have any questions, please contact me at (858) 694-3607.

Sincerely,

JIM HENDERSON, EHS III
