

**STATE WATER BOARD AND CALRECYCLE
JOINT STAKEHOLDER EDUCATION AND OUTREACH MEETING**

LAND APPLICATION OF COMPOSTABLE MATERIALS

AGENDA

June 23, 2016

9:30 a.m. – 12:00 p.m.

California Tower Building, Highgrove Room
3737 Main Street, Suite 500
Riverside, CA 92501-3348

9:30 a.m. – 9:45 a.m.	Introduction and Opening Remarks
9:45 a.m. – 12:00 p.m.	Land Application of Compostable Materials Presentation and Discussion

The purpose of this meeting is to provide an overview of regulatory requirements and education and outreach regarding land application of compostable materials in California. This meeting is open to all and is intended for the regulated community and broader stakeholder groups.

IMPORTANT INFORMATION

All attendees are required to sign in and register through CalRecycle at [2016 Land Application Meeting](#).

Call-in Number Information:

There will be no call-in number for this stakeholder meeting and it will not be broadcast. We highly recommend that you personally attend the meeting.

Meeting Location and Parking:

For a map to the Santa Ana Regional Water Quality Control Board meeting location, visit: http://www.waterboards.ca.gov/santaana/about_us/office_location_map.shtml. For security purposes, all visitors are required to sign in and receive a badge prior to entering the building. Valid picture identification may be required due to the security level so please allow up to 15 minutes for this process. Individuals who require special accommodations are requested to contact the main office number at (951) 782-4130.

Parking is available in several parking structures, lots and metered street parking in Downtown Riverside. We recommend Garage 3 (directly behind California Tower Building). Please read parking restriction signs carefully. Individuals who require special accommodations at this stakeholder meeting, including real-time translation services, should contact Ms. Ember Christensen at (916) 341-5489 by June 16, 2016.
