 - *Disposition methods*
 - *Cost/gallon*
 - *Surplus funding*
 - *CA assessment funds*
 - *Audit expense categories*
 - *Legal fees*
 - *Lawsuit expenses*
 - *ACA administrative support services*
 - *Allowance for bad debts*
- PaintCare's responses were adequate
- CalRecycle anticipates this sort of information will be in future reports

8

Compliance – Overall Program Review

- **Postconsumer Paint Recovery**
 - Recovery volume low, projected to increase
- **Statewide Program Convenience**
 - Distribution goal achieved, working on density goal
- **Program Costs**
 - Cost/gal & surplus high, expected to decrease
- **Establishment of Collection Infrastructure**
 - Continually finalizing contracts & increasing # of drop-off sites
- **Proper Management of Collected Paint**
 - Ensure highest/best use

9

Priority Areas for Monitoring & Oversight

Convenience

- Rural coverage
- Pick-up schedules
- Temporary events

Retail Participation

- Retail site requirements
- Voluntary participation

Costs

- Financial transparency
- Cost/gallon
- Reuse
- Bulking vs. loose-packing
- Conversion factor

10

Convenience

- **Rural Coverage:** Inadequate number of drop-off sites in some rural areas
- **Pick-up Schedules:** retail sites reaching capacity before pick-ups

11

Retail Participation

- **Retail drop-off site requirements:**
 - HMBP requirement challenge for recruiting retailers
 - AB 2748 could increase retail participation
- **Voluntary participation:**
 - Retailers should have fair & equal opportunities
 - “Big box” stores declined to participate

12

Costs

- **Financial transparency:** CalRecycle will audit PaintCare's compliance with statute and regs
- **Cost/gallon:** high program cost, \$/gallon expected to decrease
- **Reuse:** increasing reuse could reduce overall costs
- **Bulking vs. loose-packing:** bulking less costly, loose-packing produces higher quality recycled paint

13

Summary of Compliance Findings

- Summary of Program Implementation:
 - 632,652 gallons of paint collected
 - 63 contracts w/ local govt. HHW program
 - ↑ # of retail collection sites to 530
 - Significant education & outreach efforts
- Staff **recommends a finding of compliance**
- Identified priority areas for monitoring & oversight

14

Next Steps

- Continue to monitor & assess program implementation
- Upcoming CalRecycle audit of PaintCare
- Continue to address convenience and other concerns
- Year 2 Annual Report due October 1, 2014
