17. Enforcement Agency (EA) Conditions:

- a. The operator shall comply with all State Minimum Standards for solid waste handling and disposal as specified in California Code of Regulations, Title 27, and Public Resources Code (PRC) Section 40131.2.
- b. The operator shall maintain a log of special/unusual occurrences. This log shall include, but is not limited to, fires, explosions, the discharge and disposition of hazardous or unpermitted wastes, earthquake damage, and significant injuries, accidents or property damage, and other unusual occurrences. Each log entry shall be accompanied by a summary of any actions taken by the operator to mitigate the occurrence. The log shall be available to site personnel and the EA for inspection at all times.
- c. Additional information concerning the design and operation of the facility shall be furnished upon request and within the time frame specified by the EA.
- d. The maximum permitted daily tonnage for this facility is 1,000 tons per day, and shall not receive more than this amount without a revision to this permit.
- e. This permit is subject to review by the EA and may be temporarily suspended or revoked at any time by the EA for sufficient cause, in accordance with Division 30 of the Public Resource Code (PRC), Part 4, Chapter 4, Article 2, Sections 44305 et seq. and associated regulations.
- f. The Enforcement Agency (EA) reserves the right to suspend or modify waste receiving and handling operations due to an emergency, a potential health hazard, or the creation of a public nuisance.
- g. Any change that would cause the design or operation of the facility not to conform to the terms and conditions of this permit is prohibited. Such a change may be considered a significant change, requiring a permit revision. The operator shall not implement any changes without first submitting a written notice of the proposed change, in the form of a Report of Facility Information (RFI) amendment, to the EA at least 180 days in advance of the change.
- h. Debris management, in the event of an emergency, may take place at the facility as approved by the EA.
- i. A copy of this permit shall be maintained at the facility.
