Request Date: January 14, 2011

Decision Subject: **ISSUANCE OF A** REGISTRATION PERMIT FOR BUCKEYE MATERIAL RECOVERY & PROCESSING FACILITY, **FACILITY NO. 40-AA-0047**, SAN LUIS OBISPO COUNTY

Action By: January 14, 2011

Summary of Request: This is a request that the Branch Chief take action on a Registration Permit for, Buckeye Enterprises LLC, dba Buckey Material Recovery & Processing Facility, located in San Luis Obispo County.

CalRecycle staff, acting as Enforcement Agency (EA), received an application for Registration Permit on January 7, 2011, for this existing facility, located at 6625 Benton Road, Paso Robles, CA. The facility is operating under an existing Registration Permit issued in June 2009. The application indicated only a change in traffic to 98 vehicles per day, which is consistent with the site's conditional use permit and due to the site now allowing the public to use the site. The application was accepted on January 14, 2011.

The public was noticed via posting at the facility, on the company's website, and on the CalRecycle website.

As per current regulations, a registration permit needs to be transmitted to the operator 5 days after the application is deemed complete or by January 19, 2011.

Recommendation: Based on our review of the submitted permit package, staff recommends the Branch Chief issue the permit. All of the required submittals and findings required by Title 14, Section 18104 et seq. have been made. The documents on which staff's findings are based are in the facility files.

Branch Chief Action:

On the basis of the information and analysis in this Request for Action and the findings set out in this memorandum, I hereby issue the Registration Permit for the Buckeye Enterprises LLC, dba Buckeye Material Recovery & Processing Facility as proposed.
