**RE: Waiver of Regulatory Timeframes for Processing the Walker Landfill Permit Modification (26-AA-0001)**

Dear Ms. Karl,

Mono County Environmental Health received and approved a request to extend the permit processing timeframes for the Walker Landfill permit modification application. Please consider this our request to allow an extension of the regulatory timeframes to bring the facility into compliance with all requirements in order to concur on the proposed permit.

Please call me at 760-924-1846 or email [jkearney@mono.ca.gov](mailto:jkearney@mono.ca.gov) with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Jill Kearney".
