**Request Date:** March 1, 2011

**Decision Subject:** Countywide Integrated Waste Management Plan Five-Year Review  
Report For Placer County

**Action By:** April 12, 2011

---

**Summary of Request:**

Public Resources Code (PRC) Sections 41770 and 41822 require the Department of Resources Recycling and Recovery to review and approve or disapprove each Countywide or Regional Agency Integrated Waste Management Plan Five-Year Review Report. The County of Placer submitted a Five-Year Review Report of its Countywide Integrated Waste Management Plan (CIWMP), concluding no revisions to the County's planning documents are necessary at this time. However, staff did inform the County a revision to the Nondisposal Facility Element would be necessary should a proposed nondisposal facility permit change take place. This memo requests approval of the County's Five-Year CIWMP Review Report findings.

**Recommendation:**

Based on staff review of the County's Five-Year CIWMP Review Report, staff found that the requirements have been satisfied and agrees with the findings that a revision is not necessary. Therefore, staff recommends approval of the County's Five-Year CIWMP Review Report.

**Branch Chief Action:**
