**SUBJECT: Minor Waste Tire Facility Permit Renewal for McClanahan Tire, LLC,
San Bernardino County, TPID No. 1003796**

Dear Mr. McClanahan:

This letter is to notify you that the Minor Waste Tire Facility Permit for McClanahan Tire, LLC, TPID No. 1003796, located at 8585 Banana Avenue in Fontana, is hereby approved. The issued permit is enclosed. Please note you are required to keep a copy of the permit posted in a visible location at the tire storage facility available to CalRecycle staff or other applicable enforcement agencies.

Be advised that this permit does not release the permittee from their responsibility to obtain all required permits, licenses, other clearances and to comply with all orders, laws, ordinances, regulations, statutes, or other requirements of other regulatory agencies, including but not limited to, local land use and fire authorities.

The Minor Waste Tire Facility Permit allows your facility to store no greater than 4,999 waste tires on-site at any time. Therefore, you are advised to maintain the waste tire count on-site to 4,999 or below, including any altered tires or waste tire products greater than one-quarter inch (1/4") in size. If you plan to store more than 4,999 waste tires on-site at any time, you are required to obtain a Major Waste Tire Facility Permit prior to implementing the change.

Thank you for working with us throughout the permitting process. If you have any questions regarding the permit, please contact Dianne Ohiosumua at (951) 782-4168 or dianne.ohiosumua@calrecycle.ca.gov.

Sincerely,
