Subject: Acceptance of the Major Waste Tire Facility Permit Application for CRM Co. LLC; TPID No. 1837326, City of Stockton

Dear Mr. Takallou,

Department of Resources Recycling and Recovery (CalRecycle) staff has completed our review of the Major Waste Tire Facility Permit application package dated September 16, 2015 for CRM Co. LLC, located at 1404 South Fresno Avenue in Stockton, California. The permit application package was received on September 30, 2015. CalRecycle staff has determined that the application package conforms to applicable requirements of Title 14, California Code of Regulations (14 CCR) Section 18423(b) and we are accepting the application package as complete.

Within 180 days of accepting a completed application package, CalRecycle staff will determine whether to issue or deny a permit pursuant to 14 CCR Section 18425.

If you have any questions or comments regarding the permitting process, please call me at (916) 341-6363 or e-mail me at megan.emslander@calrecycle.ca.gov.

Sincerely,

A handwritten signature in blue ink that reads "Megan Emslander".
