<p>* Office Systems Integration does not have a target yet. Because agencies/facilities that submit a modified report do not report disposal, they do not have targets. This agency submitted a modified report in 2006 and 2007, but changed to submitting a full report in 2008. Hence, there is no target established yet. The agency is conducting a generation study in 2010; that data will be used to calculate a target.</p>
