SUBJECT: **Notice of Changes to Proposed Regulations for the Used Mattress Recovery and Recycling Program**

A 45-day public comment period for the Proposed Regulations for the Used Mattress Recovery and Recycling Program ran from December 26, 2014 through February 11, 2015. The California Department of Resources Recycling and Recovery (CalRecycle) held a public hearing on the proposed regulations on February 11, 2015. After considering comments received during the 45-day comment period and the public hearing, CalRecycle staff revised the proposed Used Mattress Recovery and Recycling Program Regulations. These revisions will add clarity to the existing language where needed. On March 18, 2015, CalRecycle will initiate a 15-day comment period for the proposed changes.

A copy of the full text of the regulations as originally proposed with the new changes clearly indicated is available here:
