SUBJECT: **Notice of Changes to Proposed Waste Tire Storage, Permit and Penalty Criteria Regulations (15-Day Public Comment Period)**

The Department of Resources Recycling and Recovery (Department) proposes to make additional changes to previously proposed revisions to the *Waste Tire Storage, Permit and Penalty Criteria* regulations.

A 30-day public comment period for the proposed regulations began December 20, 2013 and ended January 20, 2014. After considering comments received during the 30-day comment period, the Department modified the proposed regulations. The Department is now making the modified proposed regulations available for public review and comment during a 15-day public comment period. **This 15-day public comment period begins April 4, 2014 and ends April 18, 2014 at 5:00 PM.**

A copy of the full text of the regulations as originally proposed with the newly proposed changes clearly indicated is available on the Department's *Waste Tire Storage, Permit, and Penalty Criteria* webpage at: www.calrecycle.ca.gov/Laws/Rulemaking/WasteTires/default.htm (under *Rulemaking Documents*, see "Modified Proposed Regulations (15-Day)"). The newly proposed changes are indicated in the text by italicized double underline (*double underline*) for an addition and italicized double strikethrough (~~*double strikethrough*~~) for a deletion. Department staff is only required to respond to comments related to the newly proposed changes to the regulations.

The newly proposed changes include revisions to the following existing forms. These forms are located in 14 CCR Division 7, Chapter 9, Article 9.3, Appendix A and are incorporated by reference in 14 CCR section 18431.

- CIWMB 500 "Waste Tire Facility Permit Application" (10/02)
- CIWMB 501 "Waste Tire Facility Operation Plan" (9/02)
- CIWMB 503 "Waste Tire Facility Emergency Response Plan" (9/02)

Please submit your written comments to the Department by 5:00 p.m., April 18, 2014, to:
