Dear Mr. Pomaville:

I have received and considered your agency's January 16, 2015 request to extend the compliance schedule by an additional eight months beyond the extended compliance date previously granted by the Local Enforcement Agency (LEA) for the Coalinga Disposal Site, a facility in the Inventory of Solid Waste Facilities Which Violate State Minimum Standards.

I recognize the progress made towards compliance to date, including approval of the final closure plan and the start of closure construction, and acknowledge that extenuating circumstances will require additional time to obtain and place additional final cover material prior to installation of the perimeter landfill gas monitoring network.

I hereby approve your request for the extension of the compliance schedule until June 1, 2015.

Thank you for your work in the matters of the Coalinga Disposal Site and in your commitment to partnership with CalRecycle staff. If you have further questions regarding this letter, please contact Jon Whitehill, Supervisor of the Solid Waste Enforcement Section, Unit B, at (916) 341-6403 or at [Jon.Whitehill@calrecycle.ca.gov](mailto:Jon.Whitehill@calrecycle.ca.gov).

Sincerely,
