Re: Response to Request for a Hearing on the Solid Waste Facility Permit
Application for the Proposed Gregory Canyon Landfill

Dear Supervisor Roberts, and Mssrs. Mohr and Manasjan:

Enclosed is the response of the County of San Diego Solid Waste Local Enforcement Agency (LEA) to the Request for Hearing and Statement of Issues submitted on March 3rd by Walter Rusinek and Procopio, Cory, Hargreaves and Savitch, LLP on behalf of the Pala Band of Mission Indians. That filing challenges the determination of the LEA that a solid waste facility permit application submitted by Gregory Canyon, Ltd. was complete and correct.

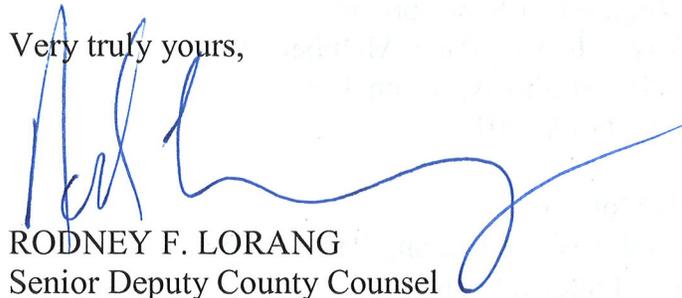

March 15, 2011

The LEA has previously provided you with an electronic copy of Mr. Rusinek's filing, via email. At the request of Mr. Paul Mehnert of this office, who has been assigned as the advisory attorney to the hearing panel on this matter, a hard copy of Mr. Rusinek's filing is also enclosed.

I understand that Mr. Mehnert will separately notify you of the date, time and place for this hearing.

Thank you for your service on the Solid Waste Hearing Panel.

Very truly yours,

RODNEY F. LORANG
