NOTICE OF PUBLIC HEARING

[Public Resources Code §44004]

For the purpose of: Presenting the City of San José LEA's Proposed Revision to Existing Solid Waste Facility Permit for the Zanker Materials Processing Facility (SWIS # 43-AN-0001) located at 675 Los Esteros Road, San José, California 95134. Comments from the public, specific to this revision, will be recorded at this meeting. Written comments may be submitted to the LEA until October 1, 2014.

The hearing will be held:

Wednesday, September 24, 2014 at 6:30 p.m.

At Location:

**Alviso Library (Community Room)
5050 N. 1st Street, San José, California 95002**

The San Jose LEA received an application from Zanker Materials Processing Facility on June 23, 2014 to revise their permit and Joint Technical Document (JTD) to reflect their proposed operations. The application was deemed complete and correct on August 20, 2014 pursuant to Title 27, California Code of Regulations Section 21570 (f).

The Revised Permit (for Phase 1) contains the following proposed changes:

- Increase the maximum daily incoming tonnage to 1,800 tons per day (up from current 1,250 tpd)
- Increase the height/capacity of the on-site landfill to 80 ft MSL (up from 50 ft MSL)
- Allow for landfill closure in accordance with an approved Final Closure Post-Closure Maintenance Plan
- Allow the installation of an additional inbound scale
- Allow the construction of a new office building

Pursuant to Public Resources Code (PRC) Section 44307, if any person files a petition or appeal challenging this approval and alleges that this Agency has failed to act as required by law or regulation during the approval process of the amendment application, the Agency shall hold a hearing. The hearing will be conducted in accordance with the procedures specified in PRC Section 44310.

The Application and accompanying documents for a revised Solid Waste Facilities Permit for this Landfill and Transfer/Processing Operation are available for review/comments between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday at:
