### Project Description

On December 24, 2014, the Orange County Solid Waste Local Enforcement Agency (LEA) received an application from OC Waste & Recycling - owner/operator of Olinda Alpha Landfill – for revision of Solid Waste Facility Permit (SWFP) No. 30-AB-0035. Olinda Alpha Landfill is a 565-acre facility. The applicant proposes a 2,000 ton-per-day increase for 36 days a year, while maintaining the existing permitted tonnage limit for the remaining 271 days. All other key design and operational parameters remain unchanged.

### LEA Preliminary Determination

The application package complies with pertinent State regulations. Accordingly, the application was approved for processing on January 23, 2015.

### Meeting Purpose

This informational meeting is for all interested parties to learn more about the proposed SWFP revision process and to provide the LEA with input on the proposed permit action. After this informational meeting, the proposed revised SWFP along with the application package and any public input received will be submitted to the Department of Resources, Recycling and Recovery (CalRecycle) for their concurrence.

### Availability of Additional Information

The application may be reviewed by appointment at LEA's office (see contact information below).

### Options for Submitting Comments

Input on the proposed permit action may be provided to the LEA during the informational meeting, or submitted by e-mail, or fax no later than February 26, 2015.

### Appeals Process Information

For information on the appeals process pursuant to Public Resources Code § 44307 after the revised SWFP has been issued or denied, please contact Sam Abu-Shaban at (714) 433-6271.
