APPLICANT: County of Tulare, Solid Waste Department

DATE LEA ACCEPTED APPLICATION: March 18, 2016

PURPOSE OF MEETING: The meeting is to discuss the Local Enforcement Agency's permit process and the issuance of a revised Solid Waste Facility Permit.

Teapot Dome Disposal Site is a 122 acre Landfill located at 21063 Avenue 128, Porterville, California.

On February 18, 2016 Tulare County LEA received for review the permit application package. Tulare County Solid Waste Department has proposed to revise their existing Solid Waste Facility Permit to increase its tonnage and to update some of its operations. The proposed changes are the following:

- Increase permitted daily tonnage from 600 to 800 tons per day.
- Update the Report of Facility Information.

Tulare County LEA finds that the proposed permit revision to be acceptable and for the permit revision to be approved.

The decision to issue or not to issue the Solid Waste Facility Permit (SWFP) must be made by Tulare County LEA within 120 days of the date the application was deemed complete and correct as required by statute. Prior to the issuance of the SWFP, the Tulare County LEA must request and receive concurrence from CalRecycle.

Additional information about the application is available upon request. A copy of the permit application is available by appointment in the Tulare County LEA office located at 5957 S. Mooney Blvd., Visalia, California, 93277.

If you have any questions after reviewing the above information or would like to schedule an appointment to review the revised permit application, please contact Keith Jahnke at (559) 624-7400. If you would like to comment on this project you may send your written comments to Keith Jahnke within 14 days of the date of this Notice.

For information on the appeals process pursuant to PRC 44307 after the decision to issue or deny the permit revision has occurred, you may contact Keith Jahnke at (559) 624-7400.
