From: Kevin Taylor
Permits & Assistance Branch

Request Date: June 7, 2011

Decision Subject: Concurrence on Proposed Revised Full Solid Waste Facilities Permit for Billy Wright Disposal Site, SWIS No. 24-AA-0002

Action By: June 10, 2011

Summary of Request: This is a request that the Branch Chief take action on a proposed Solid Waste Facilities Permit for the Billy Wright Disposal Site, SWIS No. 24-AA-0002, located in Merced County. Staff's findings and recommendations are provided relative to the proposed action.

The proposed permit was originally received on March 21, 2011. After addressing suggested changes to permit language, the Local Enforcement Agency submitted a new version, received on April 11, 2011. Action must be taken on this proposed permit no later than June 10, 2011. If no action is taken by June 10, 2011, the Department will be deemed to have concurred with the issuance of the proposed permit.

Recommendation: Based on our review of the submitted permit package, staff recommends the Branch Chief concur with issuance of the permit. All of the required submittals and findings required by Title 27, Section 21685 have been made and the required CEQA findings have been made in support of concurrence. These findings are summarized in the table found in the Permitting & Assistance Branch Staff Report attachment. The documents on which staff's findings are based are in the facility files. Details on the findings are presented in more detail in the attached Staff Report.

Deputy Director Action:

On the basis of the information and analysis in this Request for Action and the findings set out in the Department staff report, I concur in the issuance of the Revised Full Solid Waste Facilities Permit for Billy Wright Disposal Site as proposed.
