Waste Compliance and Mitigation Program

**Request Date:** July 8, 2010

**Decision Subject:** Concurrence on the Proposed New Full Solid Waste Facilities Permit for Los Angeles Express Materials Recovery Facility, SWIS No. 19-AR-1234

**Action By:** August 27, 2010

-----  
**Summary of Request:** This is a request that the Director take action on a proposed New Full Solid Waste Facilities Permit for the Los Angeles Express Materials Recovery Facility, SWIS No. 19-AR-1234, located in the City of Los Angeles. Staff's findings and recommendations are provided relative to the proposed action.

The proposed permit was received on June 15, 2010. A revised permit was received on June 24, 2010. Action must be taken on this permit no later than August 23, 2010. If no action is taken by August 23, 2010, the Director will be deemed to have concurred with the issuance of the proposed permit. **Note: The Temporary permit expired on June 30, 2010.**

**Recommendation:** Based on our review of the submitted permit package, staff recommends the Deputy Director concur with the issuance of the permit. All of the required submittals and findings required by Title 27 Section 21685 have been made and the required CEQA findings have been made in support of concurrence. These findings are summarized in the table found in the Waste Compliance and Mitigation Program Staff Report attachment. The documents on which staff's findings are based are in the facility files. Details on the findings are presented in more detail in the Waste Compliance and Mitigation Program Staff Report.

-----  
**Director Action:** On the basis of the information and analysis in this Request for Action and the findings set out in the Department staff report, I concur in the issuance of the New Full Solid Waste Facilities Permit for the Los Angeles Express Materials Recovery Facility as proposed.

**Dated:** July 12, 2010
