Re: Time Waiver Allowance for Processing of SWFP Modification for Walker Landfill (26-AA-0001)

Ms. Kearney,

To allow the California Department of Resources Recovery and Recycling additional time to consider the proposed modified solid waste facilities permit for the Walker Landfill SWIS #26-AA-0001, as the applicant for the permit, I hereby expressly waive the time for the Local Enforcement Agency (LEA), to consider the permit application under Public Resources Code Section 44008 and for CalRecycle to consider the proposed permit under Public Resources Code Section 44009 and under any CalRecycle regulations which implement or interpret those statutes or otherwise set time periods for CalRecycle or the LEA to review and act on a permit application or a proposed permit.

As the applicant, we request that the CalRecycle postpone its consideration of the proposed permit until November 16, 2015. This waiver terminates on December 15, 2015, unless we extend it by a writing delivered to the LEA and CalRecycle.

Regards,

Tony Dublino  
Solid Waste Superintendent
