Coastal Room

A. PENDING DECISIONS

Program staff will provide a status report for decisions that are anticipated to be made within the next 30 days; some of these may be delegated by the Acting Director to the Deputy Director, Program Director, or Division Chiefs. Decisions will not be made during the workshop on the items being discussed. Members of the public who have an interest in an item under consideration and who wish to provide oral comments will be given time to speak. If comments received during the workshop indicate controversy regarding the proposed item or call into question one or more of the findings the Department must make to approve the proposed decision, the Acting Director may choose to review all the information regarding this determination before it is made and may hold an additional public meeting if that is determined to be necessary before making the determination.
