Request Date: January 14, 2013

Decision Subject: Compliance Schedule For Completing And Submitting The Source Reduction and Recycling Element, Household Hazardous Waste Element, And Nondisposal Facility Element By The Newly Incorporated City Of Jurupa Valley, Riverside County

Action By: February 19, 2013

Summary of Request:

According to Public Resources Code (PRC) Section 41791.5, as a newly incorporated city, the City of Jurupa Valley is required to complete and submit its planning documents, i.e., its Source Reduction and Recycling Element (SRRE), Household Hazardous Waste Element (HHWE), and Nondisposal Facility Element (NDFE), to CalRecycle by January 1, 2013. Due to the need for one full calendar year of disposal information that must be collected, the City is requesting to extend the due date for its planning documents to CalRecycle. Attachment 1 is the City's proposed planning document submittal schedule, which extends its original submittal due date until December 15, 2013.

Recommendation:

Staff has determined that the proposed time frame is reasonable and recommends approval of the compliance schedule for completing and submitting the SRRE, HHWE, And NDFE by the newly incorporated City of Jurupa Valley, Riverside County.

Branch Chief Action:

On the basis of the information and analysis in this Request for Action and the findings set out above, I hereby approve the proposed schedule (Attachment 1) for completing and submitting the Source Reduction and Recycling Element, Household Hazardous Waste Element, And Nondisposal Facility Element by the newly incorporated City of Jurupa Valley, Riverside County.
