SOLID WASTE FACILITY PERMIT

Facility/Permit Number:
MUSTANG HILL LANDFILL
16-A&0013

7. LEA Conditions:

- This facility shall comply with all provisions mandated under the State Minimum Standards for solid waste handling and disposal.
- The operator shall maintain a copy of this **permit** at the facility, so that it will be available at all times to facility staff and enforcement agency personnel.
 - The operator **shall** notify the LEA of any proposed change in the routine operation of the facility or of any change in facility design during the **planning** stages. In no case shall the operator undertake any change unless the operator first obtains approval from the LEA. Any **significant** change as determined by the LEA would require a revision of **the** Solid Waste Facilities Permit. At a minimum, the permit will be reviewed every five years.
 - This permit is subject to review by the LEA and may be **suspended** and/or revoked at any time for sufficient cause, after a hearing by Kings **County** Independent Solid Waste LEA Hearing Panel.
 - The LEA reserves the right to suspend waste receiving operations when deemed necessary due to an emergency, a potential health hazard, or the creation of a public nuisance.
 - The LEA reserves the right to request and receive from the owner/operator any information that it deems necessary to conduct an inspection or to review and/or revise the Solid Waste Facility Permit.
 - 7. Any complaints about the facility received by its owner/operator shall be forwarded to the LEA within one working day.
 - 3. Information concerning the design and/or the operation of this facility shall be furnished upon request by the LEA.
 - 9. The owner/operator shall maintain at least three **current** after-hours emergency contact telephone numbers with the Kings County Sheriffs Central Service and with the LEA.
 - 10. Adequate moisture shall be added to soil cover material to prevent dust and to allow for compaction.
 - 11. All wet weather protection measures requested by the LEA must be completed annually by no later October 31, unless otherwise specified.
 - 12. If the site will be opened to the general public, the landfill design and operation shall take into consideration features needed to accommodate the public including, but not limited to, **signs** indicating hours of operation and prohibited waste materials.
