How useful would this concept be in reforming the recycling program?

◯ Critical ◯ Somewhat Useful ◯ Irrelevant

## 3e. Find Alternative Funding Source for Local Community Conservation Corps

How useful would this concept be in reforming the recycling program?

◉ Critical ◯ Somewhat Useful ◯ Irrelevant

### 3f. Reduce Amount of Processing Fee Offset

How useful would this concept be in reforming the recycling program?

◯ Critical ◯ Somewhat Useful ◯ Irrelevant

### 3g. Re-Evaluate Need for Administrative Fee Offset/Payments

How useful would this concept be in reforming the recycling program?

◯ Critical ◯ Somewhat Useful ◯ Irrelevant

## Additional Comments:

Conservation Corps are critical to providing opportunities for "at risk" youth to develop work skills and discipline as well as completion of education to successfully function in the adult work environment. In the current economic environment, funding sources for corps activities are scarce; hence the critical need for Bottle Bill funding. With base support for corps funding from Bottle Bill funding, other grant funding and/or contract work can be sought to maintain corps operations.
