RE: "EEI CURRICULUM PRINTING, STORAGE, & FULFILLMENT PROJECT, DRR14034"

**Addendum No. 1
To the IFB DRR14034**

The following questions were received during the Questions and Answers period.

- Q1. Attachment H of the Bid Completion Checklist asks for "Samples of Written Work." To what does that refer?
- A1. In the case of this IFB DRR14034, no sample is necessary so please disregard this item on the Checklist. It would only have applied if a deliverable of the contract was to develop written materials.
- Q2. Are we to quote using California printers only?
- A2. All printing, storage, fulfillment, and order shipping activities must take place within California.
- Q3. What is the definition of weighting on the Cost Bid Sheet Attachment A and its relationship with component quantities?
- A3. Weighting is an estimated quantity for the comparison of bids only. The weighting factors are applied to the base pricing for each component and incremental quantity. The bidder must not change the weighting factors – modification of any pre-filled fields on the Cost Bid Sheet will result in disqualification of the bid.

Weighting has nothing to do with paper weight or total volume weight of the printed materials.

While the weighting on the various print components may provide insight into which items are typically required to be printed in higher volumes relative to others, it is not a guarantee of the actual quantities of any given component that may be required during the term of this Agreement. The weighting is estimated based on historical inventory and consumption data, including the average usage of stock for the different components within each EEI curriculum unit.

Q4. What are the page counts for each of the printed pieces?

A4. Page counts vary for each EEI unit and its components. All EEI units are online at <http://californiaeei.org>.

All other terms, conditions, and requirements of this IFB will remain the same.

If you have any questions relating to this IFB process, please contact me by e-mail at contracts@calrecycle.ca.gov.

Sincerely,
