- D. Each work authorization will be numbered sequentially.
- E. The actual costs of a completed, approved work authorization will not exceed the authorized amount, except if, in the performance of the work, the Contractor determines that the actual cost will exceed the estimated costs; the Contractor will immediately notify the Contract Manager. Upon such notification, the Contract

Manager may:

1. Alter the scope of the work authorization to accomplish the work within the estimated costs; or
2. Augment the work authorization budget; or
3. Authorize the Contractor to complete the work for the actual costs; or
