

Electronic Waste Recycling Stakeholder Forum

Afternoon: Exploring Future Program Improvements

Open Discussion: Improving the CEW Program

- **Given the constraints of the Act, the interests of the State, and participants' business realities, what can the CIWMB do to improve program?**
- **Discussion will develop input for anticipated rulemaking**
- **The sky is the limit in bringing forward ideas; future vetting and evaluation will refine, temper**

Structured Discussion Areas

- **Definitions**
- **Application Process**
- **Roles and Responsibilities**
 - **Collectors**
 - **Recyclers**
- **Claim Preparation**
- **Claim Review**
- **Other Issues**

Next Steps

- **Program staff will distill concepts**
- **Staff will report to Board on program status and ideas for improvements**
- **Series of informal workshops before formal rulemaking**
- **Program is always open to collaboration**
