20 **INTRODUCTION**

21 This Administrative Complaint For Waste Tire Storage Administrative Penalties
22 (hereafter, "Administrative Complaint") is issued by the California Department of Resources
23 Recycling and Recovery ("CALRECYCLE") to 825 POST STREET ASSOCIATES, Property
24 Owner (hereafter, referred to as "RESPONDENT") seeking \$420,000.00.

25 The California Integrated Waste Management Board ("CIWMB" or also referred to as,
26 the "Board") is CALRECYCLE. CALRECYCLE succeeded to CIWMB's authority on January 1,
27 2010, pursuant to Public Resources Code (PRC) sections 40400 and 40401(a)(1).
28 CALRECYCLE has the authority to permit, regulate, and conduct enforcement actions

1 regarding waste tire facilities and waste tire haulers within the State of California pursuant to
2 PRC sections 42800 et seq., 42950 et seq. and attendant regulations contained in Title 14 of
3 the California Code of Regulations ("CCR"). Pursuant to PRC section 42851(a),
4 CALRECYCLE is authorized to issue an administrative accusation for penalties to a person on
5 whom civil liability may be imposed. This Administrative Complaint is so issued based on the
6 following facts.

7 STATEMENT OF FACTS

8 1. GLOBAL WASTE MANAGEMENT, INC., Tire Program Identification ("TPID")
9 Number 1613306-01, is a minor permitted waste tire facility located at 214 Shaw Road, Unit 9,
10 South San Francisco, California 94080 (hereafter, referred to as "the site").

11 2. Daniel Akhromtsev is the "Operator" of the site, as that term is defined in PRC
12 section 42804, "the person responsible for the overall operation of a waste tire facility."

13 3. 825 POST STREET ASSOCIATES, LP is the "Owner" of the site, as that term is
14 defined in PRC section 42805, and Title 14 CCR sections 17225.755, 17225.760. Pursuant to
15 PRC section 42805 and Title 14 CCR section 17225.760, an "Owner" is a "person who owns,
16 in whole or in part, a waste tire facility, the waste tires located at a facility, or the land on which
17 a waste tire facility is located." Pursuant to Title 14 CCR section 17225.755, the "Operator"
18 means the person legally responsible for the operation of a waste tire facility or the owner if
19 there is no operator."

20 4. On December 14, 2012, CALRECYCLE issued GLOBAL WASTE
21 MANAGEMENT, INC. a new waste tire facility permit for a "Minor Waste Tire Facility,"
22 authorizing a maximum permitted capacity at the site of 4,999 whole waste tires or passenger
23 tire equivalents.

24 5. A "Minor Waste Tire Facility" is defined in PRC section 42808(c) as, "a waste tire
25 facility where, at any time, 500 or more, but less than 5,000, waste tires are or will be stored,
26 stockpiled, accumulated, or discarded."

27 6. A "Major Waste Tire Facility" is defined in PRC section 42808(b) as "a waste tire
28 facility where, at any time, 5,000 or more waste tires are or will be stored, stockpiled,
accumulated, or discarded."

1 7. On February 20, 2013, CALRECYCLE Inspectors Catherine Blair and Robert
2 Baumann conducted a routine inspection of the site to ensure compliance with applicable
3 waste tire storage and disposal standards and the terms and conditions of GLOBAL WASTE
4 MANAGEMENT's Minor Waste Tire Facility Permit. As documented in Inspection Report #IW-
5 1004936, Inspectors Blair and Baumann were not granted access to the site to conduct a
6 routine inspection. Based on a visual observation and a plain view of the site, Inspectors Blair
7 and Baumann observed approximately 11,682 waste tires on the site, in violation of GLOBAL
8 WASTE MANAGEMENT's Minor Waste Tire Facility Permit (PRC section 42850(a)) and in
9 violation of PRC sections 42823, 42824, and Title 14 CCR section 18420(a).

10 GLOBAL WASTE MANAGEMENT violated PRC section 42823, "no person shall
11 establish a new major waste tire facility or expand an existing minor waste tire facility unless
12 the person has obtained a major waste tire facility permit issued by the board
13 [CALRECYCLE]." GLOBAL WASTE MANAGEMENT also violated Title 14 CCR section
14 18420(a), "the operator of a waste tire facility shall acquire a waste tire facility permit in
15 accordance with the requirements of this Chapter and PRC section 42808." GLOBAL WASTE
16 MANAGEMENT was operating a major waste tire facility by storing approximately 11,682
17 waste tires on the site, without first obtaining a major waste tire facility permit issued by
18 CALRECYCLE.

19 GLOBAL WASTE MANAGEMENT also violated PRC section 42824, "it is unlawful to
20 direct or transport waste tires to a major waste tire facility or to accept waste tires at a major
21 waste tire facility unless the operator has obtained a major waste tire facility permit." GLOBAL
22 WASTE MANAGEMENT unlawfully accepted waste tires at the site exceeding its 4,999
23 permitted capacity as a minor waste tire facility, and expanded a minor waste tire facility into a
24 major waste tire facility, without having first obtained a major waste tire facility permit issued by
25 CALRECYCLE. Pursuant to PRC section 42850.1(b)(1):

26 Any person who intentionally violates any provision of this chapter,
27 or any permit, rule, regulation, standard, or requirement issued or
28 adopted pursuant to this chapter, is liable for a civil penalty not to
 exceed ten thousand dollars (\$10,000), for each violation of a
 separate provision or, for continuing violations, for each day that
 the violation continues.

1 Thus, RESPONDENT is liable for a civil penalty for allowing GLOBAL WASTE MANAGEMENT
2 to accumulate waste tires on the site in violation of GLOBAL WASTE MANAGEMENT's Minor
3 Waste Tire Facility Permit, exceeding its permitted capacity of 4,999 waste tires stored on the
4 site, and for violations of the rules, regulations, and requirements pursuant to Chapter 16
5 (commencing with PRC section 42800 et seq.) and Chapter 19 (commencing with PRC section
6 42950 et seq.).

7 8. On March 6, 2013, CALRECYCLE Inspectors Blair, Baumann, and Michael
8 Payan returned to the site to conduct a routine inspection. As documented in Inspection
9 Report #IW-1005173, GLOBAL WASTE MANAGEMENT had approximately 17,040 waste tires
10 stored on the site, once again in violation of GLOBAL WASTE MANAGEMENT's Minor Waste
11 Tire Facility Permit (PRC section 42850(a)) and in violation of PRC sections 42823, 42824,
12 and Title 14 CCR section 18420(a). GLOBAL WASTE MANAGEMENT was operating a major
13 waste tire facility by storing approximately 17,040 waste tires on site. GLOBAL WASTE
14 MANAGEMENT unlawfully accepted waste tires at the site exceeding its 4,999 permitted
15 capacity as a minor waste tire facility, and expanded a minor waste tire facility into a major
16 waste tire facility, without having first obtained a major waste tire facility permit.

17 9. On April 8, 2013, CALRECYCLE issued Cleanup and Abatement Order ("CAO")
18 2013-011028-CAO to GLOBAL WASTE MANAGEMENT and to RESPONDENT for waste tire
19 storage violations. RESPONDENT was served with the CAO on April 23, 2013. The CAO
20 directed RESPONDENT to, "remove all waste tires in excess of 4,999 from the premises within
21 15 days from the date of service of [the] CAO, in accordance with the following waste tire
22 removal schedule . . . all waste tires . . . shall be removed by a registered waste tire hauler . . .
23 to an approved facility." The CAO also ordered RESPONDENT to at no time "accept
24 additional waste tires at the site unless there are less than 4,999 and the acceptance of
25 additional waste tires will not result in more than 4,999 waste tires at this site" and to
26 "reimburse CalRecycle for the cost of all inspections conducted within a year from the issuance
27 of this CAO that are in addition to those inspections required by statute or regulation."

28 ///

1 Pursuant to the above referenced Public Resources Code and Government Code
2 sections, discovery requests by any party must be made within thirty (30) days after the
3 service of this Administrative Complaint.

RIGHT TO A HEARING

You are hereby notified that that you are entitled to request a hearing to refute the allegations against you contained in the ADMINISTRATIVE COMPLAINT FOR WASTE TIRE STORAGE ADMINISTRATIVE PENALTIES (Administrative Complaint). The enclosed REQUEST FOR HEARING/NOTICE OF DEFENSE form (Notice of Defense), when signed by or on behalf of the Respondent and returned to the Department of Resources Recycling and Recovery (CalRecycle) within 15 days of receipt of the Administrative Complaint, will acknowledge service of the Administrative Complaint and constitute a notice of defense. **If you wish to have a hearing on this matter, you must complete and return the enclosed Notice of Defense to the address indicated on the form within 15 days of receipt of the Administrative Complaint. Failure to complete and return the Notice of Defense within 15 days will be deemed a waiver of your right to a hearing.**

If you request one, a hearing will be conducted before a Hearing Officer, a CalRecycle employee that does not work on or advise the tire programs, at one of our offices or other locations throughout the State, upon the charges made in the Administrative Complaint.

Please refer to the attached document entitled "Representing Yourself in a CalRecycle Tire Hearing" for further guidance on hearing procedures and basic information on representing yourself at a CalRecycle tire hearing.

1. You are entitled to review the evidence being used against you and request a list of witnesses by applying to CalRecycle's attorney.
2. You may present any relevant evidence, and will be given full opportunity to cross-examine all witnesses testifying against you.
3. You are entitled, upon request, to be provided with the assistance of an interpreter, if you or your witnesses do not proficiently speak or understand the English language. If you require the assistance of an interpreter, timely notice of this fact should be given to CalRecycle's Hearing Clerk, so appropriate arrangements can be made. Generally, the cost is paid by the party requesting an interpreter, however, the Hearing Officer may order CalRecycle to pay if you cannot.
4. You are hereby notified that, pursuant to the provisions of 14 CCR section 17050 et seq., the violations alleged against you may cause you to be placed on CalRecycle's Unreliable Contractors, Subcontractors, Borrowers, and Grantees list. Placement on this list may prohibit you from obtaining contracts, loans, or grants from CalRecycle for up to three years.
5. Continuances are not favored. If you need a continuance, immediately submit a written request to Hearing Clerk- TIR, CalRecycle Legal Office, 801 K Street, MS 19-03, Sacramento, California 95814, by fax to 916-322-8768, or by e-mail to HearingClerk.TIR@CalRecycle.ca.gov. Your written request for a continuance will be forwarded to the Hearing Officer for decision. Requests without good cause will be denied.

Representing Yourself in a CalRecycle Tire Hearing

CalRecycle is providing this information to help you prepare for your administrative hearing. This information is not a substitute for having an attorney. We hope this information will help you better understand the process and prepare for the hearing.

How Do I Request A Hearing?

You have received this because you have been served with either a Statement of Issues or Administrative Complaint (Accusation) issued by the Waste Permitting, Compliance, and Mitigation Division of the Department of Resources Recycling and Recovery (CalRecycle). You may request a hearing to have a Hearing Officer hear your side of the matter before your permit or registration is denied, suspended or revoked, or before penalties are assessed against you. If you do not request a hearing, a Default Decision will be issued ordering the denial, suspension, or revocation of your permit or registration or ordering you to pay the penalty amount requested in the Accusation. If you wish to request a hearing, you must complete and send the Request For Hearing / Notice Of Defense to the address designated on that form. On that form you must state the reason you are requesting a hearing. You must provide enough information for CalRecycle to understand the facts, defenses, and other issues you hope to have addressed at the hearing.

What Will My Hearing Be Like?

Your hearing will be very similar to a trial in court, with witnesses, exhibits and rules of evidence. A Hearing Officer will preside under a delegation of authority from CalRecycle's director. You have the right to be represented by an attorney at your own expense. You are not entitled to the appointment of an attorney to represent you at public expense. You are entitled to represent yourself without legal counsel. However, an attorney may be better able to present your side.

When the hearing begins, each side may present an opening statement. This tells the Hearing Officer what that side intends to prove. Each side can then offer relevant evidence to prove its case.

Evidence can be testimony taken under oath at the hearing or it can be certain kinds of documents, such as business records. You must prove that the documents you submit are authentic. This means that you must be able to show that a document actually is what you say it is; usually this is accomplished through witness testimony.

CalRecycle usually presents its evidence first. CalRecycle's attorney will ask its witness questions (direct examination). When the attorney is finished, it will be your turn to ask questions of that witness (cross-examination). CalRecycle's attorney will have a second chance to ask questions (redirect) and then you will have a second chance (recross).

After CalRecycle has presented its witnesses, it will be your turn. You may make a statement yourself and call your witnesses. As you finish with each of your witnesses (and your testimony), the CalRecycle attorney will cross-examine. As stated before, you will have a second chance to ask questions of each witness. Even if you choose not to testify, CalRecycle's attorney may cross-examine you.

After you have presented your case, CalRecycle may call rebuttal witnesses. Rebuttal witnesses may only testify to issues you brought up in your case. If CalRecycle calls rebuttal witnesses, you may be allowed to call additional witnesses to address the issues discussed by rebuttal witnesses. Few hearings involve rebuttal witnesses.

Remember: Before the hearing closes, you must submit all the evidence you want the Hearing Officer to consider.

After all testimony has been heard, each side can make a closing argument. Usually CalRecycle goes first; you go next. The party that goes first has the opportunity to make the last comments.

Closing argument is your chance to sum up the evidence and tell the Hearing Officer why you should prevail in your case. It can address only those facts brought out in testimony of witnesses or in documents received into evidence. In some cases, the Hearing Officer may want the parties to submit written, instead of oral, argument. If so, a schedule will be set up for the written arguments.

What Do I Need To Prove?

If a license, permit or registration for which you applied is being denied, the burden is on you to prove your side. You must prove you meet the qualifications for the license, permit or registration.

If you already have a license, permit or registration against which CalRecycle is imposing discipline, CalRecycle has the burden of proof. This means that CalRecycle must establish that you violated the laws or regulations charged in the Accusation or Statement of Issues.

Even when CalRecycle has the burden of proof, you should prepare to offer evidence of your good character and conduct, mitigation, rehabilitation and evidence refuting the charges, as appropriate.

May I See CalRecycle's Evidence Against Me?

CalRecycle's evidence is also called discovery. You are entitled to request discovery of the information CalRecycle has to prove the charges made against you or enable you to mount a defense against them. A Request For Discovery form is available on CalRecycle's website, or may be obtained by contacting CalRecycle's attorney or Hearing Clerk. Simply send the completed Request for Discovery to CalRecycle's attorney if you wish to obtain a copy of the investigative files and any other documents or relevant information CalRecycle has regarding your case. You may have to pay for copies. You also have a right to receive a witness list.

Generally, you must request "discovery" within 30 days of receiving the initial Accusation or Statement of Issues, or within 15 days of any supplemental Accusations or Statements of Issues. In some cases, these times may be shorter. Be sure to read the documents you receive to verify the time you have to request discovery.

CalRecycle has the same rights to get information from you. You may also be served with, or have included in the paperwork received already, a Request For Discovery on behalf of CalRecycle. You must make copies of the requested information available to CalRecycle by the date stated in the Request for Discovery.

What Kind of Evidence Will I Need For the Hearing?

Depending on your case, you may want to bring witnesses who know about the issues involved with the charges against you. If there are documents, such as contracts, business records or checks that help prove your side, try to bring the original and three copies. You may bring photographs or other items that are relevant to your defense. Items you want to be considered must be left with the Hearing Officer. Generally, you may substitute copies of those items in place of the originals.

Documents and photographs must be authenticated. This is typically done through witness testimony, during which your witness, or yourself, if you choose to testify, will need to explain to the Hearing Officer what the document is, how the witness reliably knows what it is, and how it is relevant to your case.

How Do I Get Records From a Business?

If you are a party to a hearing, you have the right to subpoena from individuals, businesses and government agencies relevant records or other things to be produced at the hearing. CalRecycle has a subpoena form available for download on its website, and a copy may also be mailed or emailed to you upon request. You must arrange to pay any required fees and have someone else serve the subpoenas. Only CalRecycle Hearing Officers or attorneys licensed in California acting on behalf of a party may sign a subpoena. If you are proceeding without an attorney, contact CalRecycle's Hearing Clerk to obtain a blank subpoena form signed by a Hearing Officer. See also California Code of Civil Procedure, sections 1985-1985.4 for other important information.

How Do I Get a Witness to Come to the Hearing?

A witness can come voluntarily to the hearing. However, a subpoena protects your right to have that person present. You may obtain the subpoena form by downloading it from CalRecycle's website, or by requesting that a copy be mailed or emailed to you. You must use the subpoena to compel the attendance of persons whose testimony is relevant to your case, unless that person agrees to appear voluntarily on your behalf. Witnesses are entitled to paid reimbursement of their time. See Government Code sections 11450.05, 11450.50, 68092.5-68093, and 68096.1-68097.10. You must arrange to pay required fees and have someone else serve the subpoenas. Only CalRecycle Hearing Officers or attorneys licensed in California acting on behalf of a party may sign a subpoena. If you are proceeding without an attorney, contact CalRecycle's Hearing Clerk to obtain a blank subpoena form signed by a Hearing Officer. See also California Code of Civil Procedure, sections 1985-1985.4 for other important information.

Is It OK to Bring Letters Instead of Witnesses?

Some letters and other documents may be admitted in evidence for limited purposes, but generally it is better to bring witnesses who can help present your side of the case and answer any questions raised. The Hearing Officer will not speak with witnesses, except at the hearing itself. If you do choose to offer letters, declarations or other documents, make sure you understand what you must do to get them admitted in evidence. (For instance, see the discussion on authenticating documents above.)

Remember: This hearing is your chance to tell the Hearing Officer your side. It is important to have your witnesses present at the hearing to testify.

If I Forget Something, Can I Send It Later to the Hearing Officer?

Your chance to present evidence is at the hearing. Only in rare cases will the Hearing Officer allow you to send evidence later.

Is There a Way To Settle This Without a Hearing?

Cases often settle without going to hearing. Contact the CalRecycle attorney to see if you can work something out.

What if I Can't Be There On The Day Set?

You must show good cause to change a hearing date. If you cannot attend on the date and at the time shown, you must contact CalRecycle as soon as you know of the problem. To request a change of date, you must file a written request with the Hearing Clerk in CalRecycle's Legal Office, with a copy to CalRecycle's attorney, explaining the reasons for the change. The sooner you make your request, the more likely it will be granted.

Remember: You must file a timely Notice of Defense in order to have a hearing.

Where Will The Hearing Take Place?

Hearings are scheduled at the CalRecycle office located closest to your residence or the location at which the transactions or events providing the basis for the Accusation or Statement of Issues occurred. CalRecycle's office locations are in Sacramento, Los Angeles, Riverside and San Diego. In some circumstances, CalRecycle may conduct a hearing at a location other than a CalRecycle office. If you feel that a different location would work better for you please contact CalRecycle's Hearing Clerk as early as possible to request a location change. CalRecycle reserves the right to deny the request upon consideration of issues including, without being limited to, the ability of CalRecycle staff and the Hearing Officer to travel to the location, and any fees that may be incurred for travel plans already made by CalRecycle staff, the Hearing Officer, and CalRecycle's witnesses.

What if I Don't Attend?

If you request a hearing and do not attend the hearing, CalRecycle can still proceed with the case against you. (If you do not request a hearing, CalRecycle will issue a Default Decision against you.)

What if I Need An Interpreter?

If you or a witness need a sign or language interpreter, immediately contact the CalRecycle attorney or Hearing Clerk so that a certified interpreter can be provided. Normally, it is not sufficient to bring a friend or relative to interpret for you.

Will The Hearing Location Be Accessible To People With Disabilities?

Hearing locations are to be accessible to persons with disabilities. However, check in advance with CalRecycle's Hearing Clerk to assure accessibility. In addition, if you know persons who plan to attend have special needs that require reasonable accommodation, please contact CalRecycle's Hearing Clerk as soon as possible, so arrangements can be made.
