Notice of Public Hearing

City of Los Angeles
Environmental Affairs Department
Solid Waste Local Enforcement Agency

Proposed Revision of the Solid Waste Facility Permit
For the
Mission Road Recycling and Transfer Station

The City of Los Angeles Solid Waste Local Enforcement Agency (LEA) will be holding a public hearing on the date and time shown below for the proposed revision of the Solid Waste Facility Permit (SWFP) for the Mission Road Recycling and Transfer Station located at 840 South Mission Road, Los Angeles, California, 90023.

The Mission Road Recycling and Transfer Station is currently permitted to accept 1,500 tons per day of municipal solid waste. Waste Management, the facility owner and operator, has requested a 285 ton per day or 19 % increase in the permitted daily tonnage received at the facility to 1,785 tons per day of municipal solid waste. The proposed revision would also allow limited transfer operations from small private vehicles to take place outside of the transfer building.

The public hearing is open to all interested parties to provide comments on the LEA's proposed action to revise the SWFP to accommodate the requested tonnage increase for the Mission Road Recycling and Transfer Station.

Public Hearing Date & Time: **Thursday, October 28, 2004 at 4:00 pm**
