Subject: Outstanding Service as EAC Vice Chair

Dear Lars:

Thank you for your excellent service and contributions as Vice Chair of the Enforcement Advisory Council (EAC) for these past two years.

There were many challenging statewide solid waste technical issues that the EAC faced during your tenure. These included detailed discussions and contributions to aid in guidance development for composting sites and anaerobic digestion; Caltrans sites; and the 5-Year Permit Review process. Insights, suggestions and recommendations made by the EAC were greatly appreciated and improved the quality of decisions that have been made.

In taking the EAC meeting minutes you demonstrated an outstanding ability to understand and succinctly capture member comments and points of view. Your accurate record of EAC discussions helped to make the EAC successful and greatly assisted CalRecycle's ability to respond effectively to the interests and recommendations of the EAC.

Your contributions and those of your fellow EAC leadership members, helped to make the EAC extremely successful these past two years. Again, please accept CalRecycle's sincere thanks for your service. I look forward to our continued work together in the future.

Sincerely,
