

Transfer Station Litter

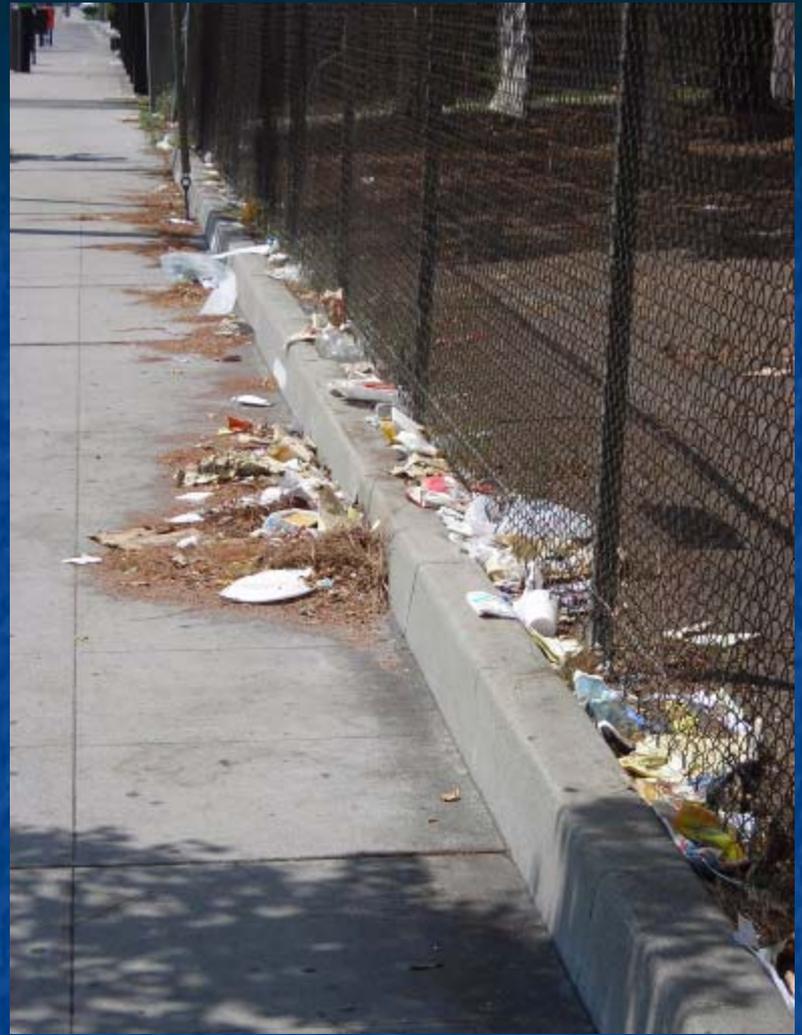

State Minimum Standards require that you:

- **Control Litter**
- **Collect Litter**
- **Dispose of Litter Properly**

What is This?

Best Management Practices

- How to control litter

04.24.2007 14:04

Constant Monitoring = Results

Observations

- Documentation
 - Are control measure evident?
 - Are they making an effort?
 - How effective are the measures?
 - Mitigating circumstances?
 - What else are you finding?

Thank You!
