Waste Tire Management System

The screenshot shows a web browser window displaying the California Integrated Waste Management Board website. The page is titled "Tire Management Used/Waste Tire Manifest Program". The header includes the CA.GOV logo, the board's name, and navigation links for Home, Reduce Waste, Recycle, Buy Recycled, Enforcement, Local Partners, Education, and About Us. A search bar is located in the top right corner. The main content area features a sidebar with links to Manifest Home, Who Participates?, Forms, Training/Assistance, About Manifest Program, Glossary, Contacts, and Tire Management Home. The main text describes the waste tire manifest system and provides links to Program Participants, Registered Tire Haulers, Tire Program ID (TPID), Required Forms, Electronic Data Transfer (EDT), Training, Enforcement, and Background. A "Program News..." section on the right lists updates, including a presentation about the Comprehensive Trip Log (CTL), information about Retreaders, and a link to the NEWS-LINE for the latest program information. The footer contains links for Secure User Sign-Ins, WTMS Web EDT, and WTMS Grantee Portal.

Tire Management

Used/Waste Tire Manifest Program

The waste tire manifest system/program applies to all persons, businesses, nonprofits, or government agencies that generate, transport, or receive used/waste tires. Links on the left provide information on the Waste Tire Manifest Program. Below you will find more detailed descriptions on what is included on this Web site.

- [Program Participants](#)
- [Registered Tire Haulers](#)

Program Participants.

Information regarding program participation for generators, haulers, and end-use facilities. Participation types and roles are defined to assist in helping you determine your program involvement and requirements. This is a good starting point for new participants and haulers to get orientated with the program.

Search Registered Haulers.

Search for a registered waste tire haulers in your area. Any person that transports 10 or more waste tires at any given time on a public road is required to be registered with the CIWMB. Participants within the Waste Tire Manifest Program must be or utilize the services of a registered hauler(s).

Tire Program ID (TPID).

All participants need a TPID in order to complete the required forms. A description of this CIWMB issued number is discussed along with information on how to obtain one. Search for assigned TPID numbers.

Required Form.

An overview and general instructions are provided for the comprehensive trip log (CTL) form (CIWMB 203). The forms associated with the Waste Tire Manifest Program and issued by the CIWMB are free of charge and may be ordered on line, or by e-mail, fax, phone, or mail.

Electronic Data Transfer.

Two pilot projects allow authorized haulers to submit tire manifest information electronically to the CIWMB, allowing program participants to more easily meet their statutory reporting requirements while reducing the state's costs for form printing and processing.

1. Select “Search Business”
 - TPID Number
 - Business Name
 - Facility Address (most commonly used – search by street number)
2. Press the “Show Advanced” button

Advance Search

The screenshot shows a web browser window displaying the 'Waste Tire Management System v3.75' interface. The browser's address bar shows 'Google' and the page title is 'Waste Tire Management System v3.75'. The interface includes a navigation menu on the left with options like 'Hauler Home', 'Enforcement Home', and 'Search Businesses'. The main content area is titled 'Business Search' and contains two search panels: 'Simple Search' and 'Advanced'. The 'Simple Search' panel includes fields for TPID, Name, Address (with radio buttons for 'Begins with' and 'Contains'), State, County, City, and Zip Code, along with checkboxes for 'Business Status' (Active, Inactive, Closed). The 'Advanced' panel includes dropdown menus for Country, Role, and Role Status, and text input fields for SWIS No. and Phone. A 'Permit Related' section contains dropdowns for Activity Type and Regulatory Status. At the bottom of the search area are buttons for 'Search', 'Clear Filter', and '<< Hide Advanced'. An 'Add Business' button is located at the bottom right of the page. The footer contains contact information for WTMS, including a URL and an email address.
