

**DISTRIBUTOR ADMINISTRATIVE FEE PROPOSED PERMANENT REGULATIONS  
CALIFORNIA CODE OF REGULATIONS  
TITLE 14, Natural Resources  
DIVISION 2. Department of Conservation  
CHAPTER 5. Division of Recycling**

**ADDENDUM TO THE FINAL STATEMENT OF REASONS**

**Effect on Small Businesses**

The Department has not received nor rejected any proposed alternatives that would lessen the adverse economic impact on small business. The Department has determined that these regulations do not create adverse economic impact on small business.

**Economic Impact on Businesses**

The Department has determined that no significant impact to California businesses will result from the adoption of these proposed regulations. The Department has not received nor rejected any facts, evidence, documents, testimony, or other evidence to support an initial determination that the action will not have a significant adverse economic impact on business.

**Incorporation by Reference**

The Distributor Report Form (DR-3) is incorporated by reference in sections 2305, and 2310. It would be impractical to publish this document in the California Code of Regulations. The Distributor Report Form (DR-3) was made available upon request directly to the Department. The form was also available on the Departments website at: [http://www.consrv.ca.gov/DOR/crcp/recyclers/Permanent\\_Regs.htm](http://www.consrv.ca.gov/DOR/crcp/recyclers/Permanent_Regs.htm)

**Information Available Upon Request**

Copies of the express terms of the proposed action, the initial statement of reasons, and all of the information upon which this proposal is based were made available upon request to the Department. The rulemaking file was also available to the public for review during normal business hours at the Division of Recycling, 801 "K" Street, 19<sup>th</sup> Floor, Sacramento, California. It was also made available on the Departments website at: [http://www.consrv.ca.gov/DOR/crcp/recyclers/Permanent\\_Regs.htm](http://www.consrv.ca.gov/DOR/crcp/recyclers/Permanent_Regs.htm)
