As a property owner, tenant or person who has requested notice, please be advised that the Colusa County Department of Health and Human Services, Environmental Health Division, Solid Waste Local Enforcement Agency (LEA) will be holding an informational public meeting regarding a proposed revision to the Solid Waste Facility Permit for the Maxwell Transfer Station. The LEA is certified by CalRecycle to enforce state laws and regulations at solid waste sites within the County of Colusa.

**Description of Project:** The Colusa County Public Works Department (operator) has submitted an application to revise the solid waste facility permit for Maxwell Transfer Station to allow an increase in tonnage received at the site, an increase in hours and days of operation and establishment of a vehicle limit. The LEA accepted the package on April 16, 2010.

**Purpose of This Meeting:** This informational meeting is for any interested parties to learn more about the revised solid waste facility permit and to provide comments to the LEA regarding the proposed action. After this informational meeting the proposed permit revision and the application package and comments from this meeting will be submitted to CalRecycle for their consideration.

**Where to Get Additional Information:** A copy of the application package is available by appointment for public review at the LEA office at 124 E. Webster Street, Colusa, CA.

**Options for Submitting Comments and LEA Contact Information:** If you have questions after reviewing the above information or would like to schedule an appointment to review the application package, please contact Craig Erickson at (530) 458-0395. If you would like to comment on the proposed permit action you may do so at the meeting or send your

comments to Mr. Erickson at 124 E. Webster Street, Colusa, CA 95932 within 20 days of the date of this notice.

**Appeals Process:** For information on the appeals process pursuant to Public Resources Code Section 44307 after the decision to issue or deny the permit has occurred, contact Craig Erickson at (530) 458-0395.
