A public meeting was held at Fresno City Hall (2600 Fresno Street, Fresno, CA 93721) on February 16, 2011 by the Fresno City Planning Commission for the consideration of approval of Conditional Use Permit C-10-028 and the associated CEQA determination. A representative from the Local Enforcement Agency (LEA) was present, recognized and answered questions from the Planning Commissioners and the public in regards to the solid waste permitting specifications.

On December 1, 2011 the Fresno County Public Health Department, Environmental Health Division, acting as the LEA received a Solid Waste Facility Permit (SWFP) application package for Sunset Waste Paper Material Recovery Facility & Transfer Station. The TPR amendment addresses the following changes:

- Allow for chipping and grinding of woodwaste.
