The Los Angeles County Department of Public Health, Solid Waste Management Program (SWMP), acting as the Local Enforcement Agency (LEA) is certified by the Department of Resources Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste sites within its jurisdiction.

Description of Project

RFI Amendment to incorporate LEA recommended updates to the Report of Disposal Site Information. The following is a list of updates made by the operator:

- Updated calculations for the landfill capacity and remaining site life.
- Recent topographic map.
- Updated Closure and Postclosure Cost Estimates.
- Updated Federal Certification.
- Addition of a Landfill Gas Monitoring Plan.
- Addition of a location map for the seven lysimeter probes.
- Inclusion of language indicating the installation of a truck scale.

LEA's Determination

The LEA received the RFI amendment application on February 05, 2014 and made the determination on March 03, 2014 that the application package meets the requirements of Title 27, California Code of Regulations, Section 21570(f) and 21665(c).

Where to Get Additional Information

Documents are available for public review by appointment only at the LEA office located at 5050 Commerce Drive, Baldwin Park, CA 91706
