DATE LEA ACCEPTED APPLICATION: February 28, 2014

Harvest Power California, LLC Composting Facility is a 35 acre Composting Facility located at 24487 Road 140, Tulare, California.

On February 6, 2014 Tulare County LEA accepted for review the permit application package. Harvest Power California, LLC has proposed to revise their existing Solid Waste Facility Permit to increase tonnage and, traffic; as well as receive additional types of compostable materials such as green waste, wood waste, and food material.

Tulare County LEA finds that the proposed permit revision to be acceptable and for the permit revision to be approved.

The decision to issue or not to issue the Solid Waste Facility Permit (SWFP) must be made by Tulare County LEA within 120 days of the date the application was deemed complete and correct required by statute. Prior to the issuance of the SWFP, the Tulare County LEA must request and receive concurrence from CalRecycle.

Additional information about the application is available upon request. A copy of the permit application is available by appointment in the Tulare County LEA office located at 5957 S. Mooney Blvd., Visalia, California, 93277.

If you have any questions after reviewing the above information or would like to schedule an appointment to review the revised permit application, please contact Keith Jahnke at (559) 624-7400. If you would like to comment on this project you may send your written comments to Keith Jahnke within 14 days of the date of this Notice.

For information on the appeals process pursuant to PRC 44307 after the decision to issue or deny the permit revision has occurred, you may contact Keith Jahnke at (559) 624-7400.
