Please be advised that the Department of Resources Recycling and Recovery (CalRecycle), acting as the Solid Waste Enforcement Agency (EA) for San Luis Obispo County, has received and approved for issuance per Title 14 California Code of Regulations (CCR) Section 18104.2, a Registration Permit Application for R & R Roll-off, LLC.

Project Description

R & R Roll-off, LLC, is an existing small volume construction and demolition/inert debris processing operation currently operating under an Enforcement Agency Notification filed in June 2009. The operator submitted an application for a Registration Permit Application for a medium volume transfer/processing facility, which would allow the operator to accept up to 99 tons per day of construction and demolition debris and green material pursuant to Title 14, California Code of Regulations (CCR), Section 17403.6. The facility size remains at four acres and the days and hours of operation will continue to be Monday – Friday 7:00 a.m. to 3:00 p.m., Saturdays 9:00 a.m. to 1:00 p.m., and 24 hours seven days a week for maintenance. The permit will be issued five (5) days from finding the application complete and correct or on or around April 12, 2014.
