

# AGENDA

The purpose of the workshop is to seek input from industry and interested parties on Plastic Market Development Payments (PMDP). The information collected in this workshop will be used by the Department to structure payments, and develop policies and regulations.

- 1) Discuss CY 2014 through 2016 PMD payments and program reform:
  - Option 1 - \$150/ton to both Certified Entity and Product Manufacturer
  - Option 2 - Reduced PMD rate to both Certified Entity and Product Manufacturer to insure payment year round
  - Option 3 - \$150/ton to Product Manufacturer only
- 2) Discuss selection of Option 3 - Product Manufacturers receiving PMDP only:
  - a) Intent and spirit of legislation
    - i) Incentive paid to Manufacturers for new products created – encourages increased use of California generated recycled container materials
    - ii) Keep jobs in California
    - iii) Closes the loop
  - b) Best bang for the buck
  - c) Discuss parameters of claiming PMDP by Manufacturers
- 3) Discuss the definition and criteria of a 'Product Manufacturer' (Manufacturer)
- 4) Discuss the definition and criteria of a 'Certified Entity' (Reclaimer)
- 5) Discuss the definition of an 'End Product.' What is considered an 'End Product?'
  - a) Sheeting
  - b) Pellets
  - c) Shelf-ready packaging
- 6) Questions?
