## IDTAC Annual Meeting and Purpose

- May 6, 2011, 10 a.m. to 3 p.m., CalEPA Building, Sacramento
- Provide ongoing assessment of statewide problem
- Recommend methods, initiatives, tools, programs and policies
- Develop and implement effective survey tools – costs
- Incorporate effective local programs into ID Toolbox
- Identify training needs and host training events
- Develop model ordinances for local use
- Identify state legislative issues related to prevention
- Work with local, state and federal agencies on abatement of illegally dumped/abandoned vessels

## Purpose (contd)

- Provide forum for local and state agencies, industry and organizations for CalRecycle programs and staff
- Develop illegal dumping prevention reports and recommendations for CalRecycle
- IDTAC Operational Considerations
  - Members will decide leadership structure, need for subcommittees and/or additional meetings
  - CalRecycle staff, Compliance and Enforcement Division, will continue to provide operational support and meeting facilitation
