Arnold Schwarzenegger  
Governor

December 8, 2005

**To:** All Prospective Contractors

**RE:** Tire Derived Product Business Assistance Program Contract (IWM05030)

## Addendum No. 1 To the Request For Proposal (RFP)

1. Attached to this Addendum No. 1 for the Request for Proposals for the Tire-Derived Product Business Assistance Program Contract (IWM05030) is a listing of contractors who have expressed an interest in this contract.
2. The following sections of the RFP are revised as shown with deletions in strikethrough and additions in bold text:

### Section I Overview

---

~~Performance Penalty~~  
**Liquidated Damages**

The selected contractor, to receive award of this agreement, will be subject to a ~~performance penalty~~ **liquidated damages** if required deliverables (i.e. reports) are not submitted by the due date(s) outlined in the Scope of Work. In addition, the CIWMB Contract Manager will review the contractor's monthly reports (which identify the assistance provided) and a ~~penalty~~ **damages** will be assessed if it is determined that businesses are not receiving assistance in a timely manner.

The ~~penalty~~ **amount of damages** will be equivalent to five percent (5%) of the budgeted amount for each task not completed in the required timeframe.

### Section II Rules and Conditions

---

**Unreliable List**

~~Any contractor or subcontractor currently of the CIWMB Unreliable list, is ineligible to apply for or participate in this contract.~~ **Per Section 17051 of the California Code of Regulations, the Board shall not award a contract to any person or entity on the CIWMB Unreliable List, for up to three years from the date of placement on the Unreliable List.**

**Negotiating State Contracts**

This solicitation and any resulting contract or amendments are subject to the conditions set forth in PCC 6611.

~~If any of the conditions identified in PCC 6611 exist, the State may perform contract negotiations, if it is determined to be in the best interest of the State.~~

## Section VI Evaluation and Selection

---

### **Selection Process**

The Selection Committee will evaluate and score all proposals, passing the Pre-Qualification Evaluation, utilizing the Scoring Criteria identified in this RFP. Although this Secondary RFP will be awarded to the qualified proposer achieving the highest score, the cost component is heavily weighted as the CIWMB is looking for extremely competitive rates for the services to be provided to tire-derived product businesses.-

Only those proposals that receive a score of at least **80%**, the minimum requirement identified on the Proposal Scoring Sheet will be ranked.

---

### **Oral Interviews**

If oral interviews will be conducted as part of this process, the date of said interviews will be within the timeframe identified in Section I, Schedule. **Interviews will be held for clarification purposes only. Proposers may not change their proposals in any way.**

All Proposers invited for an interview, will be notified by the CIWMB of the specific date and time of the interview.

Failure to attend the interview by the Proposer will be grounds for removing the Proposer from the remainder of the process.

All other terms, conditions, and requirements of this RFP will remain the same.

If you have any questions relating to this RFP process, please contact me at 916.341.6105 or at [contracts@ciwmb.ca.gov](mailto:contracts@ciwmb.ca.gov).

Sincerely,

*{Original Signed By}*

Carol Baker
