Q2. What firms submitted Statements of Qualifications in response to the last RFQ for this contract?

A2. CalRecycle received only one submittal and they were ultimately awarded the contract. (See answer to Q1)

Q3. Our firm is an SBE and we are considering teaming with another firm – can you provide a list of RFQ holders so that we can contact prospective partners?

A3. Please refer to Attachment 1 to this Addendum.

Q4. In Attachment A, Section C, Question 2 requests an “audited or reviewed” financial statement, what is meant by “reviewed”? We are a small business and do not get our financials audited. Please provide detail of what is needed.

A4. All documents must be submitted as requested. The purpose of receiving a copy of a financial statement is to assist CalRecycle in determining a viable and solvent company capable of completing the work. A “review report” is prepared by a Certified Public Accountant. If the proposer fails to meet any of the requirements or comply with CalRecycle’s request, CalRecycle will remove the proposal from consideration.

Q5. Where can information (reports, plans, studies) regarding past CalRecycle TDA projects be obtained?

A5. Please visit our website at <http://www.calrecycle.ca.gov/tires/tda/> for further information.

All other terms, conditions, and requirements of this RFQ will remain the same.

If you have any questions relating to this RFQ process, please contact me by e-mail at contracts@calrecycle.ca.gov.

Sincerely,

{Original Signed By}
